#### Art

Blender / Adobe After Effects / Adobe Illustrator / Adobe Photoshop / Basic Autodesk Maya Skills / Procreate

#### Sound

Reaper

#### Documentation/Design

Canva / Google (Google Drive, Google Docs, Google Slides, Google Sheets) / Atlassian stack (Jira, Confluence, ...) / Firm a

## WORK EXPERIENCE

---

🏢 **Carousel Game** – İstanbul, Turkey

### Level Designer

[ 01/06/2024 – 12/02/2025 ]

I worked as a level designer for a Match-3 game and was also involved in the testing phase of the project. I also took on tasks such as taking meeting notes, planning, and reporting team work. I began training on using Jira and managed the task management portion of Jira.

## PROJECTS

---

[ 09/09/2025 – Current ]

**Ballerino** Ballerino is a 2D pixel-art, online multiplayer football game that combines strategic card mechanics with fast-paced football gameplay. Inspired by Haxball, the game allows players to build custom card decks that affect offense, defense, movement, and match dynamics in real time. Matches are played in 1v1, 2v2, and 3v3 formats with customizable player skins and decks. I worked on the project as a Game Developer.

[ 20/02/2025 – 27/06/2025 ]

**Addiction** Addiction is a game we developed for school. As a team of five, I took on the role of game developer. We aim to improve the game and continue to develop it to a better version. The game's primary goal is to raise awareness of the harmful effects of substance abuse. It's a 2D bullet hell game.

[ 18/02/2025 – 22/06/2025 ]

**Eco Guardian** Eco Guardian is a top-down 2D game that aims to raise awareness about environmental pollution and its impact on animals. I took on the role of game developer in our team of three. We're developing the game's prototype and continuing development.

[ 03/10/2024 – 24/06/2025 ]

**GSlettar Recon: Kepler** GSlettar Recon: Kepler is a 2D top-down tower defense game with game improvements. I took on the role of game developer and we progressed this project with a team of five, two of whom were developers.

[ 20/12/2024 – 22/12/2024 ]

**Santas House** Ice Breaking is a jam game that I developed with my teammates within Game Jam 3 and in which I took part as a developer.

## VOLUNTEERING

---

[ 08/08/2025 – Current ] Beykoz University

### Founder & President – Beykoz University Media Club

I founded and currently lead the Beykoz University Media Club to strengthen students' sense of belonging and foster campus engagement. The club actively operates as a creative media platform where students share writings, photographs, reviews, and ideas, while also promoting cultural events and student achievements. We produce a school fanzine, radio broadcasts, podcasts, and audiovisual content for cafeteria screens, and additionally organize social events such as Game Nights to enhance student interaction.

[ 26/11/2024 – 12/03/2025 ] İstanbul

### Member of the Board of Directors – Beykoz University City and Culture Club

I was involved in event planning and other activities within this club, which operates at our school. Our goal is to provide our members with positive experiences and cultural values.

## HONOURS AND AWARDS

---

Beykoz Üniversitesi

**Beykoz University Rector's Certificate of Honor** It's an honor certificate given to students at our school who achieve a semester-long GPA higher than 3.8. I earned this certificate by being listed twice.

Beykoz Üniversitesi

**Beykoz University Dean's Certificate of Honor** It's an honor certificate awarded to students who achieve a semester-long GPA of 3.6 or higher at our school. I've earned the right to receive this certificate by meeting this requirement for three semesters.

## HOBBIES AND INTERESTS

---

**Writing** I have loved writing since I was little. Sometimes I write fiction, sometimes I express my own thoughts and feelings through writing. During my education, I participated in various writing competitions, won medals and received awards. Writing is both a passion for me and a powerful way to express myself. I continue to actively participate in competitions.

**Criminal** I like to do research on various cases, I am curious about the psychological elements in the communication of criminals and security forces, criminal psychology and I like to watch videos and movies on these.

**Books, Movies & TV Series** I love reading books and watching movies and TV series. I love discovering new worlds or stepping into a character's shoes and living those adventures. I think it gives me new perspectives and expands my imagination and empathy. There are often times when I get so caught up in it that I lose track of time.
